Rebound Rebuild Renew

*Complimentary
Spouse Attendance
This Year*

➤ You Are Invited to Attend the 10th Annual ➤

May 23-26, 2021 | JW Marriott Miami Turnberry, FL

All,

Covid has dealt senior living a body blow – and a big catalyst for change! Heading into Covid, we sensed some of our product was stale. Now we know we need to change. We need to consider *strategic innovation*. That's what this year's Senior Living 100 is all about.

Our theme is "Rebound, Rebuild, Renew". We will present the deepest thinkers we can find to help us re-imagine our future: consumer preferences, new healthcare integration, competing with home, the staffing shortage, new design, new technologies, affordability, and more.

So – please join the best and brightest for a few days at wonderful Turnberry to rejuvenate and re-inspire yourselves. And, operators' spouses are free this year.

We successfully piloted our first Covid-safe conference in November. At Senior Living 100, we will have rapid antigen testing of all attendees twice (36 hours apart), required masking, outdoor socials, and more – safety is a top priority.

We look forward to seeing you in person again in May!

Regards,
